he and his friend [REDACTED] arrived at 733 Gravelly Hollow Road for a party. He stated that at approximately 2315hrs, he was downstairs in the basement of the above residence standing next to his friends, when [REDACTED] and a unknown male subject wearing a green shirt grabbed him by his throat and shoved him upstairs and outside to the front yard of the residence. He stated that the next thing that he remembered was being driven to Wawa in Shamong Township by his friend [REDACTED]. He stated that when he got to Wawa he contacted his father and had him respond to Wawa to pick him up. He stated that while at Wawa, NJSP arrived on location and he advised them of the assault. He stated that he and his father followed NJSP back to 733 Gravelly Hollow Road. The U/s observed that the victims left cheek was swollen and black and blue. The victims nose was also bleeding. The U/s took several photographs of the injuries sustained to the victim and logged same into evidence. Medford BLS subsequently arrived on location and transported the victim to Virtua Hospital in Marlton, NJ for injuries sustained to his face. At this time while at pab, the U/s spoke with [REDACTED] (reference #2007-4265) who all stated that they did not have any knowledge of the assault. At this time, the U/s spoke with [REDACTED] & [REDACTED] (reference #2007-4265) who both stated while at the above residence, they had heard through other people at the party, that the above defendant and victim got into a fight. At this time, the U/s made contact with [REDACTED] father, [REDACTED] who was at pab and advised him of the above information. At this time, believing that [REDACTED] was a possible suspect in the above assault, the U/s advised [REDACTED] and his father of their rights under miranda, which they both stated that they understood and voluntarily agreed to speak with the U/s regarding the above assault. [REDACTED] and his father also signed off on the juvenile miranda warning sheet (same was logged into evidence once the interview was completed). [REDACTED] stated that while he was in the basement of the above residence, the victim had been "talking down" about two male subjects on the wrestling team at Seneca High School, who were not at this party. [REDACTED] then stated that the above defendant overheard what was being said by the above victim and approached the victim. [REDACTED] stated that the defendant and the victim then engaged in a verbal argument, at which time [REDACTED] stated he grabbed both the victim and the defendant and escorted them both out of the residence because he believed that they were going to get into a fight and did not want them to break anything inside the residence. He stated after escorting them out of the residence, he walked back inside the residence and down into the basement. He stated that he heard people upstairs in the residence stating that the defendant punched the victim in the face. He stated that he then walked back outside the residence and observed the victim lying on the ground. He stated that everyone outside the residence walked back inside and the victim left with his three friends. At this time, the interview was concluded and [REDACTED] was TOT his father. At this time, the U/s made contact with the above defendant who was also at pab (reference case #2007-4265). Prior to conducting an interview along with Detective Chase, the U/s advised the defendant of his rights under miranda which he stated that he understood and voluntarily agreed to speak with the U/s regarding the above assault also signing off on the "miranda warning card" (same was logged into evidence once the interview was concluded). The defendant stated that he was in the basement of the above residence and overheard the above victim talking about two friends of his who he goes to school with. The defendant stated that he approached the victim and asked him why he was talking about his friends. The defendant stated that he and the victim then got into an argument, at which time [REDACTED] grabbed both he and the victim and told them to "take it outside" and escorted both of them outside to the residence and then walked back inside. He stated that while on the front yard of the residence, he told the victim to leave at which time, the victim told the defendant to "go fuck himself". SUPPLEMENTAL REPORT

CASE NUMBER: 2007- 4269

DATE OF OFFENSE: April 12, 2007

VICTIM: [REDACTED]

ADDRESS: [REDACTED]

OFFENSE: Simple Assault

SUSPECT: Robert Mastrangelo

OFFICER: Detective J. Chase

ID # 2566

STATUS: Closed by Arrest

NARRATIVE:

April 12, 2007:

On this date, the u/o was requested to respond to PAB by Sgt. Waterman in regards to a past assault and large underage party. Upon arrival, the u/o was advised that the victim had located a New Jersey State Trooper in Shamong and notified him that he had been assaulted in Medford. The Trooper responded to the address, 733 Gravelly Hollow Rd. Medford NJ and discovered an underage party in progress. Patrols detained and transported those involved to PAB for processing for local ordinance charges of underage alcohol consumption.

The u/o assisted with witness interviews, however, no one provided specific information regarding the identities of the suspect(s). The u/o assisted Ptl. Carbone in the interview of [REDACTED] accompanied by his father. [REDACTED] advised that the victim and suspect were engaged in a verbal argument in the basement of the residence. [REDACTED] pushed both parties out of the residence and into the front yard. He returned to the residence until he heard people shouting about a fight. When he returned to the front yard, the victim was laying on the ground. The victim got up and left with other kids. [REDACTED] stated that he did not have any involvement in or witness the assault.

The u/o assisted Ptl. Carbone in the interview of Robert Mastrangelo. During the interview, Mastrangelo implicated himself as to becoming engaged in a verbal altercation with the victim in the basement of the residence, after overhearing the victim "bad-mouth" two of the suspect's friends. He and the victim were pushed out of the residence by another kid. While outside, their verbal altercation continued. Mastrangelo told the victim to leave the party, to which the victim told Mastrangelo to "Go fuck himself." Mastrangelo struck the victim in the face with a closed fist, which caused the victim to fall to the ground. At that time, other kids emerged from the residence. Mastrangelo returned to the residence and did not see what happened to the victim after the physical altercation. Mastrangelo provided a taped statement to the u/o, which was entered into evidence. The audio cassette was not transcribed at this time due to poor audio quality. The cassette will be maintained in evidence and a transcription attempt will be made if necessary for court.

Closed by Arrest.
